PROFESSIONAL EXPERIENCE

GNG Partners

North Sydney, NSW

Investment Intern

Aug 2021 – Present

- Built a stock screening application via Python/Excel, incorporating DCF valuation and fundamental growth indicators – back-testing the model achieved outperformance of benchmark indices by 5-20% between 2015-2020.
- Performed manual DD by reading investor presentations/annual reports and writing up investment reports.
- Using Python, designed a GUI application to trade stocks based on technical analysis using broker APIs.

RV Forex

Sydney, NSW

Intern

Apr 2021 – Jun 2021

- Created PPT presentations to explain the basics of Forex CFD trading to clients.
- Researched and designed informational marketing posts (e.g. non-advisory economic analysis on key currency/commodity pairs) to increase brand exposure online through Instagram, LinkedIn, and Twitter.

Bamboba Co.

Sydney, NSW
